Subject: Food Service at [REDACTED] (b)(3)  
Feedback: Why can't they offer more food items at the [REDACTED] cafeteria. I realize it is a grab and go operation, but they can still offer things like pizza and ready made burgers (they can possibly bring it up from [REDACTED], these would give people more variety rather than the same old sandwiches and soups they provide every day. It would also be nice if they offered things like ice cream (put it in a freezer on the side). (b)(3)
